**One Year Chronological
Bible Reading Plan**

IMPORTANT NOTE:

Dear Fellow Believers,

Reading through the Bible in a year is one of the best ways possible of grasping the full scope and breadth of God's Word. Along with prayer, it is the essential way to grow in Christ! By reading several chapters a day (usually about 15-20 minutes in a modern translation), this is a very reachable goal.

If you want to develop your faith as a Christian, then you must set aside time for prayer and reading the Bible. Yet, so few of us do so! You must ask the question, what gets in the way of my time with God? How much does TV, over working, or hanging out with friends take of you and your time?

Do not let this Book of the Law depart from your mouth; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful. Joshua 1:8

With this plan, you'll read the Bible in the order in which the books were written for the time periods they relate to. The books are placed in our Bibles according to their literary style.

Our prayer for you is that reading *The Word* becomes a regular Habit in your Christian journey. Enjoy your time with God!

In His Word,

KCN Pastoral Staff

Adapted from North Pointe Community Church - Fresno, CA

With this plan, you'll read the Bible in the order in which the books were written for the time periods they relate to. The books are placed in our Bibles according to their literary style.

The schedule uses standard Bible reference notations. Chapters appear first, followed by a colon, then the verses of that chapter to be read. For January 1st, the notation looks like this.

Jan1 Genesis 1:1-3:24

The reading for that day would be Genesis, chapter 1, verse 1 through the 24th verse of chapter 3.

If readings are broken up within a chapter and "skipped over" to be read later, it will be indicated by a comma between the verses as on October 19th, which reads:

Oct 19 Luke 10:21-24, 38-11:13, 29-12-21;
Matthew 11:25-30

That day you'd read Luke, chapter 10, verse 21 through verse 24, then skip to verse 38 and read through the 13th verse of chapter 11, skipping to verse 27 and reading through the 21st verse of chapter 12, and so on.

Separate pages are indicated by semi-colons, August 21st looks like this:

Aug 21 Psalm 102:1-28; 120:1-7; 137:1-9
Lamentations 1:1-2:22

The reading would be Psalm 102, the Psalm 120, then Psalm 137, then read from Lamentations
